

Guidelines We Will Follow for Returning to In-Person Worship at Chaires United Methodist Church

Based on recommendations from the Florida Conference and CDC

Out of love for each other and the desire to keep everyone safe, we will follow these guidelines for safe in-person worship until the time comes that they are no longer necessary.

- Follow CDC and Conference recommendations to wear a face covering while in the building.
- Sanitize your hands when you enter and leave the building.
- Maintain social distancing at all times with everyone except family members you feel safe having closer.
- Wait at the door to be seated by an usher and remain seated until the end of the service.
- If you need to use the restroom please maintain social distancing and practice good hand washing hygiene.
- Wait to be dismissed by group or individually at the end of the service and maintain social distancing when you leave.
- Leave your offering in the plate by the entrance either when you enter the building or when you leave after being dismissed.
- Continue to practice social distancing of at least 6 feet after exiting.

We will continue to provide online access to services through Facebook.

If you are sick or unable to follow the above guidelines we encourage you to worship with us online from home.
