

“A Lighthouse Guiding People to Christ”

We are starting a new series on what it means to hear God’s voice. What this series will show us is “what it means to hear, to listen, to attend to God’s spirit in every situation, as God promises to provide the Holy Spirit to us. But like any other craft or art form, the art of hearing requires practice, discipline, and intentionality.” To start, we must first ask ourselves, “What is blocking the voice of God?”
