

“A Lighthouse Guiding People to Christ”

We have begun a series (The Art of Hearing) on what it means to hear the Voice of God. Last week, we asked the question, “What is blocking us from hearing God’s voice?” Today, we will begin to look at ways in which God is speaking to us and how we can recognize God’s voice. It takes time and practice. The more time we spend intentionally listening, the better we will be able to recognize, hear, and respond to Him.

*Blessings,
Pastor Mollie*

Dear God, Of all the people who worked for you, I like Noah and David best.

Dear God, We read Thomas Edison made light, But in Sunday School they said You did it. So, I bet he stole your idea.
