

“A Lighthouse Guiding People to Christ”

When I listen to a concert or a choir and it starts off with one person, it is beautiful. But then all the sudden, others join in, and I get chill bumps. There is a depth and richness that is added. It wasn't that the soloist wasn't good and couldn't fill the space but adding harmonies and melodies brought the song to a whole new level. I always enjoy hearing members sing the different parts in a hymn, bringing it all together. This morning we are going to learn how the Church is like a choir.

Pastor Mollie*

ECHO (Emergency Care and Help Organization) needs jelly, canned soup, and canned fruit...anything that makes a quick and easy lunch. Just leave your food donation in the ECHO bin at church. We are not taking donations of clothing. If you have furniture to donate, please call ECHO at (850) 224-3246 to arrange for pick up.

After church last Sunday, I delivered some of the food that folks of the church generously provided for the 30 men at Teen Challenge. I helped set it up and stayed to visit. It was a blessing to see how excited they were share their stories with me. I can hardly wait to tell my son about my visit! I plan to visit again soon and take a special treat that I can share. I am so glad that my church is so supportive of this ministry.

Let me know if you would like to join me!
