Tallahassee Men's Rehab Program at Teen Challenge is one of a few addiction recovery programs that will dedicate a whole year to work with each individual. That is a huge financial commitment by the organization and community, but it is the time needed in order for the recovery rates to be what they are.

The day-to-day structure, community, and faith emphasis over such an extended period of time bring addicts slowly out of wrong and drug-impacted thinking into an awareness of a purpose for their life and a new way of thinking and living. Such a new purpose and way of living is one that has no place for abusing drugs or alcohol; addiction is replaced by self-love, peace, happiness, purpose, and excitement for the future.

If you or a loved one is struggling with addiction or with another life-controlling issue, be encouraged! Don't hesitate to call (866) 563-0497 and allow them to partner with you for a miracle. You'll speak directly to the Adult Intake Coordinator, who will guide you through the intake process.

If you would like to make a donation to Teen Challenge, you can write a check directly to Teen Challenge (this will not be recorded on your giving statement), write a check to *Chaires UMC* with *Teen Challenge* in the memo line and it will be recorded on your giving statement, or place cash in a Teen Challenge envelope and you can designate if you want it given through Chaires UMC or directly to Teen Challenge.

Please place all donations in one of the collection baskets.
