“A Lighthouse Guiding People to Christ”

Last week you heard an introduction to the Trinity and this week we will be diving more into what is the Trinity. How we came to understand the Trinity and who makes up the Trinity. We will never fully understand the Trinity and our language can only take us so far, but there is something beautiful about our God. He is in perfect relationship with God’s self and how we reflect that as people who are made in God’s image.

*Blessings,
Pastor Mollie*

The Story Behind How Great Thou Art

Stuart K. Hine was a British Methodist missionary on a mission trip in Ukraine in 1931 when he heard the Russian translation of a German song inspired by Carl Boberg's poem "O Store Gud" (O Great God). Hine began to translate the song to English and added several verses. The third verse was inspired by the conversion of villagers in Russia who cried out to God loudly as they repented and realized God's love and mercy - "And when I think that God, His Son not sparing, sent Him to die, I scarce can take it in." Stuart Hine and his family left Ukraine as famine and World War Two began, and settled in Somerset, Britain where he continued to serve as a missionary to Polish refugees. The fourth verse of "How Great Thou Art" was inspired by displaced Russians who experienced great loss and looked forward to seeing their loved ones again in heaven - "When Christ shall come with shout of acclamation to take me home, what joy shall fill my heart."

The final English version of "How Great Thou Art" was published in 1949 and quickly spread among Britain, Africa, India and America.
