*“A Lighthouse Guiding People to Christ”*

I recently came across a quote that read, “If you think everyone hates you, you probably need sleep. If you think you hate everyone, you probably need to eat.” And then someone added, “If you think you hate yourself, you probably need to take a shower.” It seems so simple but it does have a lot of truth to it. If we are not taking care of ourselves, it can affect how we see and feel the world around us. This morning come and hear how God took care of Elijah as it felt like his world was falling apart.

*Blessings,*

The choir will be taking a break during the month of July and the first week in August.

### UM Children's Home Sunday

The children and youth in their care arrive in the midst of chaos, struggling to navigate the broken pieces of their lives. Your 5th Sunday Offering helps provide Florida's most vulnerable children and youth a safe place to call home and the tools they need to turn those broken pieces into a beautiful mosaic that reflects the treasured person God has created. Last year over 700 children and families were served through your support. The Children's Home continues to have children who urgently need our care. With your help, they can work to give them a hope and a future.

There are envelopes in the baskets at the entrances.

Please make your checks out to *Chaires UMC*.
