

“A Lighthouse Guiding People to Christ”

Guides will give you the history of where you are, they will point out things to look at, and in general help you to understand what it is that you are seeing. The guide can really stand out if they are passionate about what they are showing. There is something about them that is different. John the Baptist was more than a guide that pointed people towards Jesus, he lived out what he believed, and people took notice. This morning let us hear how John the Baptist spoke his truth, making the way for all to see and know Jesus.

Blessings,
Pastor Mollie
