Sixth Sunday after the Epiphany*

Tallahassee Men's Rehab, part of Teen Challenge Southeast, is here to help through faith-based residential programs and licensed counseling services. Tallahassee Men's Rehab is putting hope within reach of those who need it most. Men of all ages and backgrounds are finding freedom from addiction and other life-controlling issues, restoring relationships with their families, and creating new, hope-filled futures for themselves and their loved ones.

With treatment plans unique to each person, their programs work closely with counselors and support staff to address past hurts, overcome present issues, and prepare for successful futures.

They understand that a new life in Christ will give men the power and ability to overcome problems and live a more productive life. Biblical studies enhance mental growth and serve as a foundation for creating new lives. Students learn to work through relationship problems with their peers and with their families at home. They will learn to apply the character qualities they learn in the classroom to their everyday lives.

If you would like to make a donation to Teen Challenge, you can write a check directly to Teen Challenge (it will not be recorded on your church giving statement), write a check to *Chaires UMC* with Teen Challenge on the memo line, or you can place cash in a Teen Challenge envelope and leave it in a basket.
